# Eric Harvie School

## Building our Community of Learners

### Thursday, September 21, 2023

Please choose one of the three available times to attend.

Our goal is to have a manageable size of families at each session.

***Attend with your child to meet the staff, tour the school and celebrate your child's first few weeks of school at Eric Harvie this year!***

### Invitation

**Three sessions will be offered for families and learners to attend this evening event at Eric Harvie School.**

- **The sessions will begin in the gym** with a brief presentation about full school information (approximately 10 minutes)
- **Following this presentation, parents and students are invited to visit your child's classroom**, meet their main Teacher and other Teachers. Teachers will share a snapshot of the learning environment and key classroom information for about 30 minutes
- **There are three sessions of the same presentation:**
  - a. 5:30 pm
  - b. 6:10 pm
  - c. 6:50 pm

### Gathering Your Perspective:

*We would also like to help build our understanding of your child to help us to meet their learning needs effectively. Each teacher has created an online form to help gather this information and they will send it to you by email – if a paper copy is easier for you family, please just let the classroom teacher know.*

**Thank you!!**
