

November 24, 2023

We are calling on your kindness and generosity to help support families in need during this holiday season. The Eric Harvie School community will be supporting 5 families in Calgary this year, and each teaching team has been connected with a specific family to sponsor. In light of the current economic situations of many families, we have reduced the number of families that we have sponsored from past years. This is truly an optional charitable initiative, and we invite families to please only support in whatever way they can. We have created links for each classroom's Google Sheet sign-up gift tracking sheet as listed below.

Please carefully read through the list of needs and wants for your designated family. If you are in a position where you can support a family and see an item you would like to contribute, that will be very appreciated. We would love to try and spread the love between all family members. Please ensure that the items contributed are brand new and wrapped. Here is the process:

1. Read through list for your child's class using the links below.
2. If you have bought or already have a specific item put a "Y" next to the item on the spreadsheet.
3. Please wrap and label your gift as well as write the first name of the person receiving the gift on the label.
4. All gifts will be due on or before **Friday, Dec.15th, 2023.**

Here are the links to access the Google Sheets for each classroom:

In the spirit of giving this holiday season, the staff at Eric Harvie School would like to thank EHS families in advance for their thoughts and contributions. Thank you for helping to make someone's Christmas a little brighter!
