

How to order a meal for an EHS Special Event

If you have multiple students attending EHS, please order under ONE student's name.

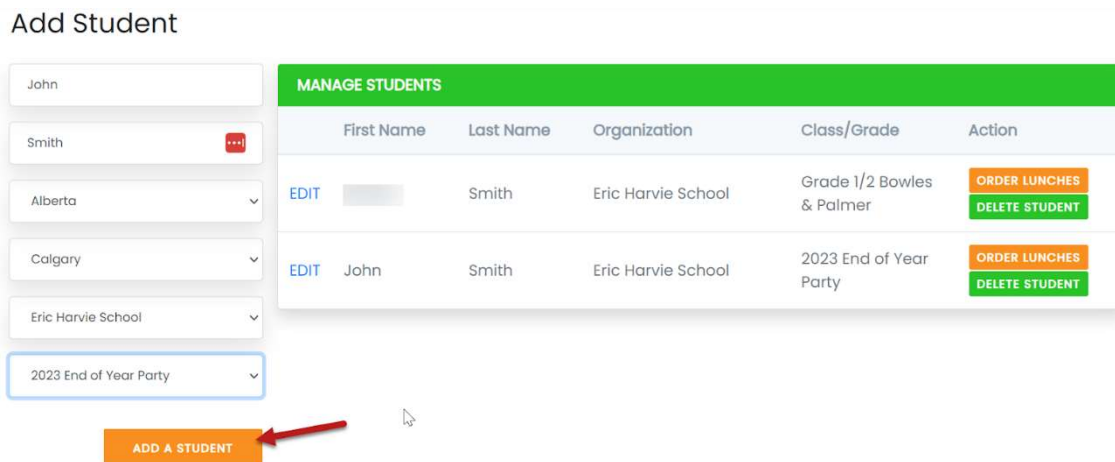

1. Log into your [Healthy Hunger](#) account.
2. Select the **Add Student** tab.

3. Fill in your students details, but when it comes to the **Select Grade** dropdown, select the **2025-2026 Special Events**. If you have multiple students at EHS, please put your entire order under ONE STUDENT. This will help our volunteers with organization and hand out.

4. Select **Add Student** at the bottom.

5. You can now go to the new student tab you have just created to see the order form for the event you'll be attending.
